

Celebration Foundation Scholarship

The mission of the Celebration Foundation is to work hand-in-hand with our neighbors to build a strong and caring community.

To demonstrate its support for our school graduates and to further their education, the Foundation has established Celebration Foundation Scholarships. This \$1,000 scholarship is awarded annually to a Celebration High School senior or resident senior student who attends a school outside of Celebration, who has demonstrated a high degree of volunteerism along with strong community/school involvement, and is continuing their education at an accredited college or university.

The mission of the Foundation for Osceola Education, Inc. is to bring resources and people together to support and enhance public education in Osceola County.

The Foundation for Osceola Education, Inc. is a direct support, non-profit organization to the Osceola County School District. Through the Foundation, various donors contribute scholarship monies to assist students in continuing their education after high school. For more information, contact The Foundation for Osceola Education, Inc. at 407-870-4855.

Essay Topic

Describe a particularly meaningful volunteer experience.

Suggestion: Use this essay to talk about a meaningful volunteer experience. Perhaps you met a person who had an impact on you or saw a “different side of things” while volunteering. This is your opportunity to let us know how you feel about volunteering and why you have made such a dedicated commitment to it!

Please type if possible.

(Feel free to prepare the essay on a separate piece of paper and include it with your application packet.)

Activities, Awards, and Leadership

List any special talents and/or activities in which you participate (clubs, sports, community, church, volunteer, and hobbies). Indicate how many hours/weeks you spend on these activities. Maybe you have an accomplishment(s) that you are proud of. If so, please tell us.

(Feel free to prepare this on a separate piece of paper and include it with your application packet.)
